Dear Parents/Guardian

Today we launched our first real stages towards our playtime vision. A great number of children said this was the best playtime ever!

The children have had an amazing time exploring many different aspects of play. We have had tower building, sledge making, obstacle courses, dancing, puddle play and tyre swinging to name a few.

We are actively encouraging, children to enjoy themselves, take risk and explore. As today was a rather wet day some children have got themselves rather wet and muddy. Playtime can't stop because of the Rossendale weather and to support this school are happy for you to send in waterproof clothing and wellies that can be used at play.

A few of our children were wearing waterproof onesies – these are excellent as they allow children to explore but stay dry otherwise waterproof trousers and a jacket might be an idea. Please try and avoid expensive clothing as they could become damaged.

We thank you for your support and understanding.

Yours Sincerely

*Chris Bolton*
